

There are five pages in this program: HomeScreenPage, CreateAlbum, AlbumPage, SearchPage and PhotoPage.

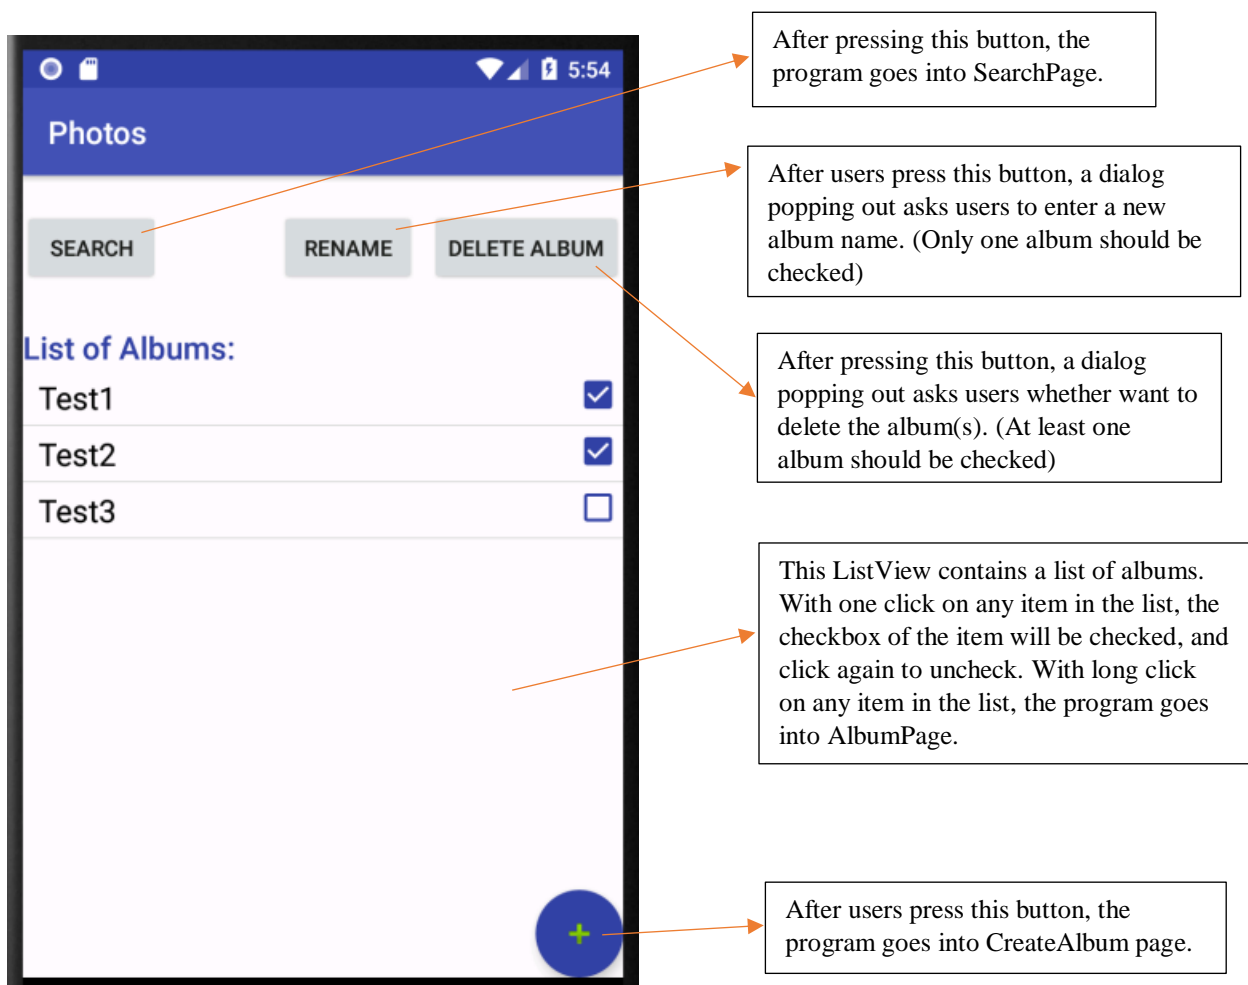

Always click the “go back” arrow on the top-left corner to go back to previous activity.

(while users enter names of albums or photos, add tags or search, capitalization does not matter)

After users run the program, it firstly goes into HomeScreenPage.

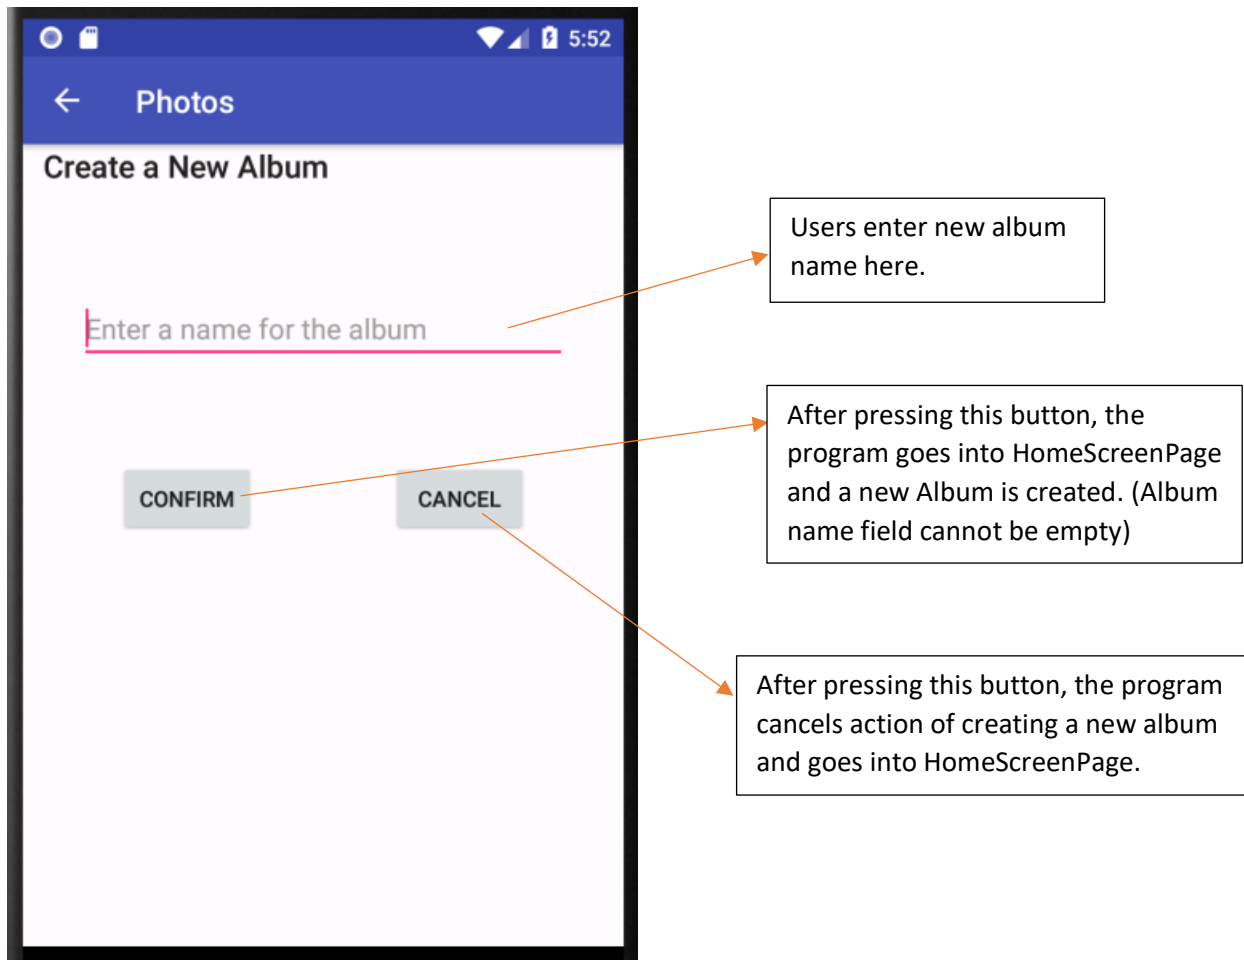

In HomeScreenPage:

There are four buttons: SEARCH button, RENAME button, DELETE ALBUM button, and a FloatingActionButton ADD on bottom-right corner, and one ListView - List of Albums with checkboxes.

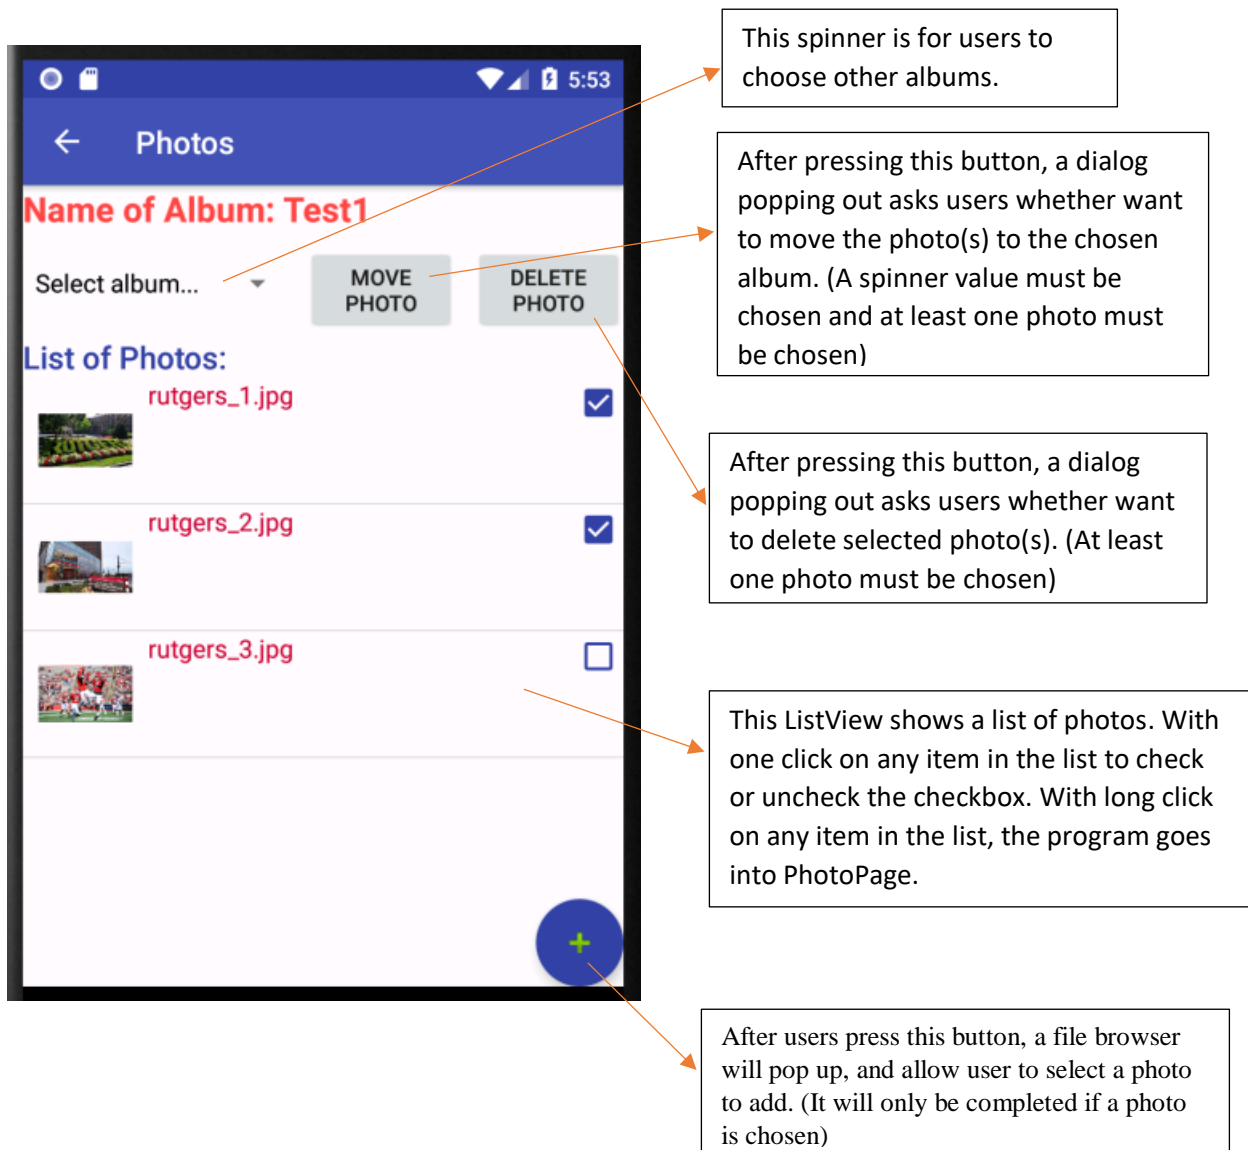

In CreateAlbum page:

This page contains one Edit Text, two buttons: CONFIRM button and CANCEL button.

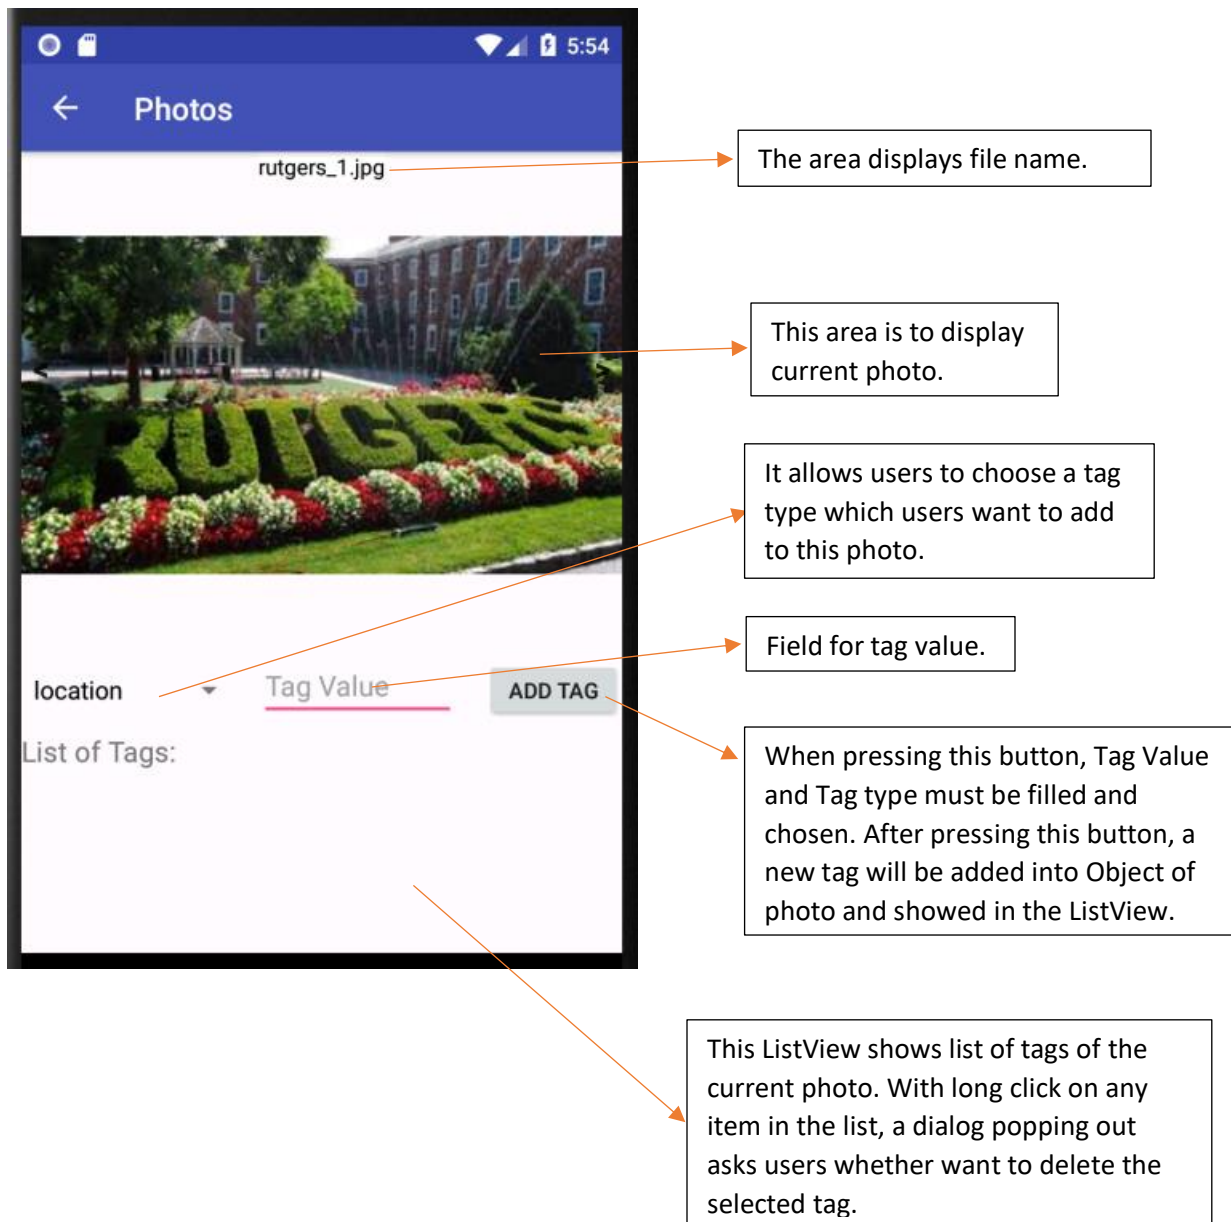

In AlbumPage:

This page contains one Spinner, one ListView with checkboxes and three buttons: MOVE PHOTO button, DELETE PHOTO button, and FloatingActionButton ADD on bottom-right corner.

In PhotoPage:

This page contains one TextField, one ImageView, one Spinner, one EditText, one ListView and three buttons: ADD TAG button, < button (last picture), > button (next picture).

In SearchPage:

This page contains two EditField, one Spinner, one ListView and one button: CONFIRM button.
